

UPLIFT MICHIGAN ACADEMY

11. PROCUREMENT POLICY

Procurement of all supplies, materials, equipment, and services paid for from Academy funds shall be made in accordance with all applicable federal and State statutes, Board policies, and administrative procedures.

All procurement transactions shall be conducted in a manner that encourages full and open competition and in accordance with good administrative practice and sound business judgment. Each year the State of Michigan informs the Academy of the legal amount for purchases which require a formal bidding process of a single item.

It is the policy of the Board that the Academy or, if applicable, any Educational Service Provider adhere to the following:

1. Seek informal price quotations on purchases that are under ninety percent (90%) of the amount allowed by State statute for a single item, except in cases of emergency or when the materials purchased are of such a nature that price negotiations would not result in a savings to the Academy.
2. When the purchase of, and contract for, single items of supplies, materials, or equipment Exceeds ninety percent (90%) but less than the amount allowed by State statute the Administrator shall whenever possible, require two (2) competitive price quotations. 2. its conformity with specifications;
3. suitability to the requirements of the Academy;
4. delivery terms;
5. past performance of vendor.

In addition to the factors above, the Board may consider and provide a preference to bidders:

1. which use a Michigan-based business as the primary contractor.
2. which use one (1) or more Michigan-based business as subcontractors.
